DEDICATION

As a father . . . the sun is shining, and his son is standing outside that window!

As the Activities Director . . . his day is far from being standstill.

As a teacher . . . he lectures to, and consults with some of his students.

The Class of 1967 gratefully dedicates the 1967 Bernardian to Mr. Donald Ferry, who has caused the thunder to rumble in the halls of Bernards High in many capacities. Mr. Ferry has stirred the minds of the seniors to think and judge seriously their present world situations and has prepared them to face the world as young ladies and gentlemen able to think for themselves.

He has been the apt coach of the varsity football team and helped the team to capture the Mountain Valley Conference Championship this year. The spirit which emanates from our school has been the

result of Mr. Ferry's efforts in arranging pep rallies, for example; the Thanksgiving bonfire. As coordinator of student activities Mr. Ferry has arranged many new and different clubs giving all students the opportunity to broaden their experiences and learning.

Mr. Ferry will long be remembered for his encouragement of independent thought, his fine sense of humor, his history course, his ability to get along with teenagers, his cigars, and as the loving father of a future football star.

As a teacher . . . with a slightly Oriental touch!

As the coach . . . of the B.H.S. Mountain Valley champs in football—1966.

OFFICERS

1967 . . . 1967 . . . 1967 . . . 1967 . . . 1967 . . .

In September of 1963 the class of '67 thundered into Bernards High. We started out cautiously, but the fireworks we produced throughout the year spoke for the class. We had the first undefeated freshman football team in the school's history. We chose for our leaders the able Carmine Petriccione for President; Joe St. Onge, Vice President; Sue Castrilli, Secretary; Meryl Streep, Treasurer. The result of the officers' and class members' work was the successful Valentine's Dance given by the freshmen for the school.

As Sophomores we returned full of vim and exciting ideas for the year. This time we elected Joe St. Onge, Margie Tiger, Sue Castrilli and Lauren Denton our officers. We gave the freshmen the traditional Baby Dance, decorated the halls brilliantly for Christmas, and wound up by giving the Sophomore Sweater Dance in January.

Once again the next year we roared back as Juniors, and under officers Joe St. Onge, Margie Tiger,

Sue Castrilli, and Linda Mathews, we enjoyed one of our most rewarding years. One of the highlights of the school year was our Junior Prom, the theme of which was "In Days of Olde." Later, in May, we ended up the year by giving the Junior Dance for the seniors.

Finally as seniors, we voted Joe St. Onge, Donna Mikulak, Sue Castrilli, and Rose Abbondanzo to lead us in making '66-'67 our most dazzling year at B.H.S. We gave the Senior Dance in October, organized the bonfire before the Ridge game, and concluded with the unforgettable Senior Prom.

As we look back now, we will especially remember the trip to New York to see "Dr. Zhivago," the hilarious **Bernardian** skit, and our last trip together at Vacation Valley. We thank also the administration and faculty for the help they have given us in reaching our scholastic goals, as we look forward to a challenging future.

JUNIOR CLASS

As freshmen, we were introduced to Bernards High in the fall of '64. With a little prompting, we soon became accustomed to our new environment and under the fine leadership of Debbie Talbot, President; Jim D'Agostino, Treasurer; Mary Castrilli, Secretary; and Bruce Appledorn, Vice-President, we began to function as a class. Our first big endeavor was to sponsor our own dance, the Freshman "Clash" Dance.

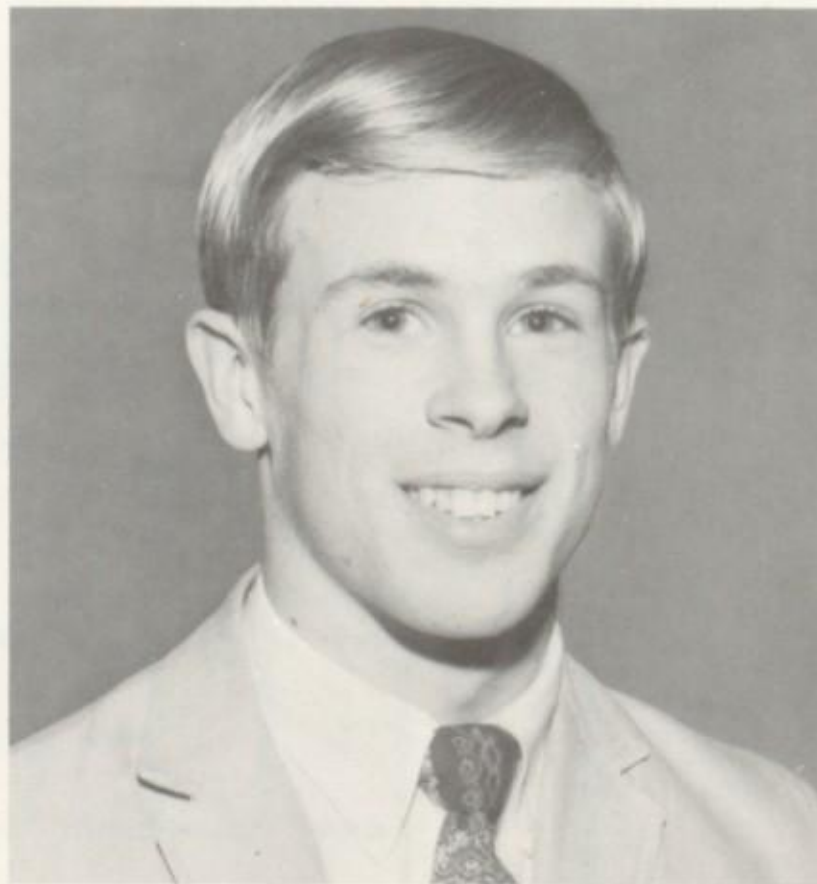

As sophomores, we returned to Bernards anxious to tackle new responsibilities. Capably led by our class officers, Sean Kelly, President; Chris Hopper, Vice President; Mary Castrilli, Secretary; and Lynda Young, Treasurer, we sponsored the traditional "Baby Party" for the incoming freshmen. Later in the fall, we participated in Bernards' Homecoming activities and presented our float, "Knowledge is Power." December found our class busily transforming the halls into "The Night Before Christmas." Our greatest accomplishment of that year proved to be the fantastic January Sophomore Dance.

Now we are juniors, just one step from the top. Led by Kip Rielly, President; Steve Munro, Vice President; Mary Castrilli, Secretary; and Cynthia Werring, Treasurer, we proudly presented our memorable Junior Prom in December, at which nearly one hundred couples were entertained during "An Evening In Paris."

The past three years at Bernards High have given us the opportunity to improve ourselves both scholastically and individually. We'll return as seniors next year prepared to conquer the many challenges a senior year contains. We're determined to prove to all that we really do try harder.

SOPHOMORE CLASS

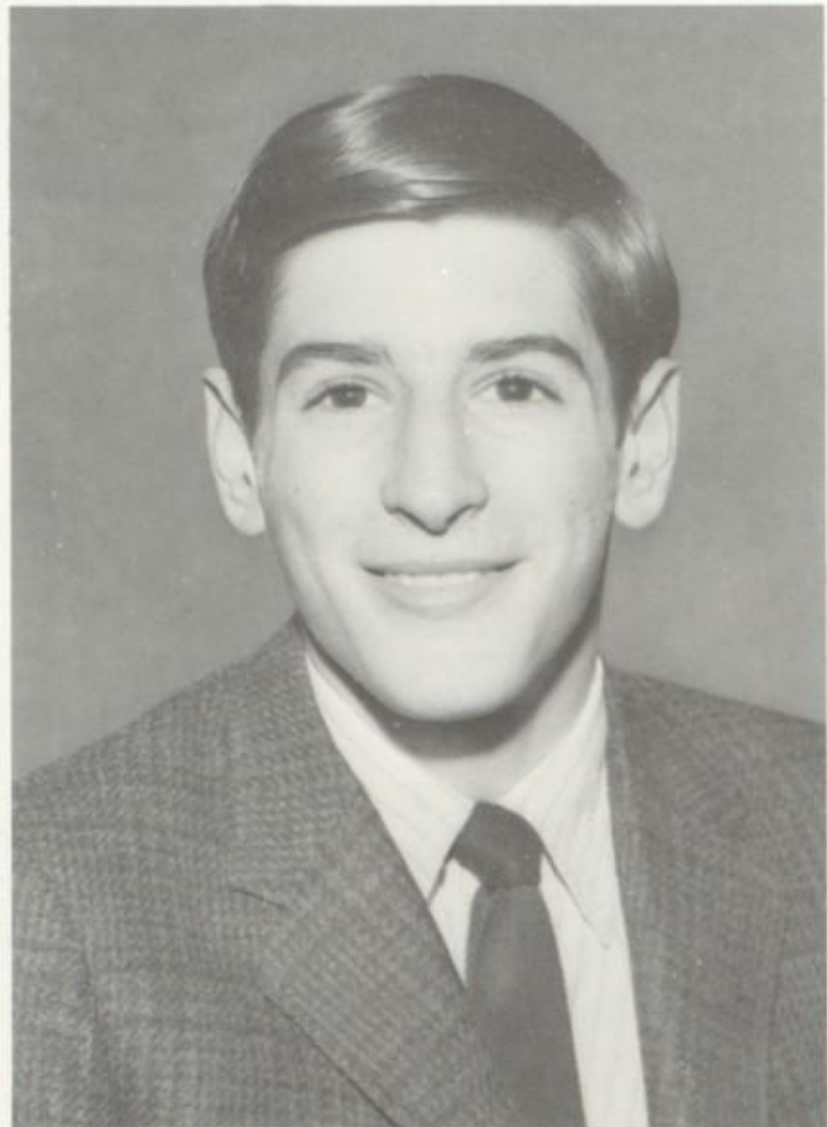

As freshmen, we entered B.H.S. not knowing quite what to expect. We soon got into the swing of things when our "Baby Float" won first prize on Homecoming Day. We were also very proud of our fine freshman football team. They had a good 4-3 season. In February we held our Freshman Dance with "Little Abner" as the theme. All this could not have been achieved without the successful leadership of President Harry Streep, Vice President Michael Petriccione, Secretary Cheryl McDermott and Treasurer John Denton.

This year as sophomores we have continued to assume our responsibilities to our school, under the guidance of President Tony Morgia, Vice President Laurie Nebel, Secretary Mary Donelik and Treasurer Bruce Ellis. In October we extended our welcome to the incoming freshman class by giving them a Baby Party. Various prizes were given to the best dressed "babies".

At the Christmas season, as is the tradition of all the sophomore classes at B.H.S., the class of '69 decorated the halls and bulletin boards. Four song titles were chosen to illustrate Christmas time. They were "Away in a Manger," "Oh Christmas Tree," "The Night Before Christmas," and "Santa Claus is Coming to Town."

We were all very proud of the role that several of our class members played on various athletic teams. Special commendation goes to Lee Bullman and John Ricciardi on the wrestling team and to Bob Ward who played first string in the football season.

The class of '69 completed their second year at Bernards High enriched by their experiences and eager to meet the challenge of the years ahead.

FRESHMAN CLASS

September brought a new era in the lives of the Class of '70. We entered the B.H.S. a bit at sea, but after a week of orientation, we found it easier to chart our courses than we had anticipated.

At the beginning of the year, we attended the traditional "Baby Party" given by the sophomore class and enjoyed it greatly.

The frosh football team, under the leadership of co-captains, Joe Forte and John Santini, had a very successful year, losing only to Manville by one point.

We initiated the practice of a Freshman Pep Rally before the Ridge game.

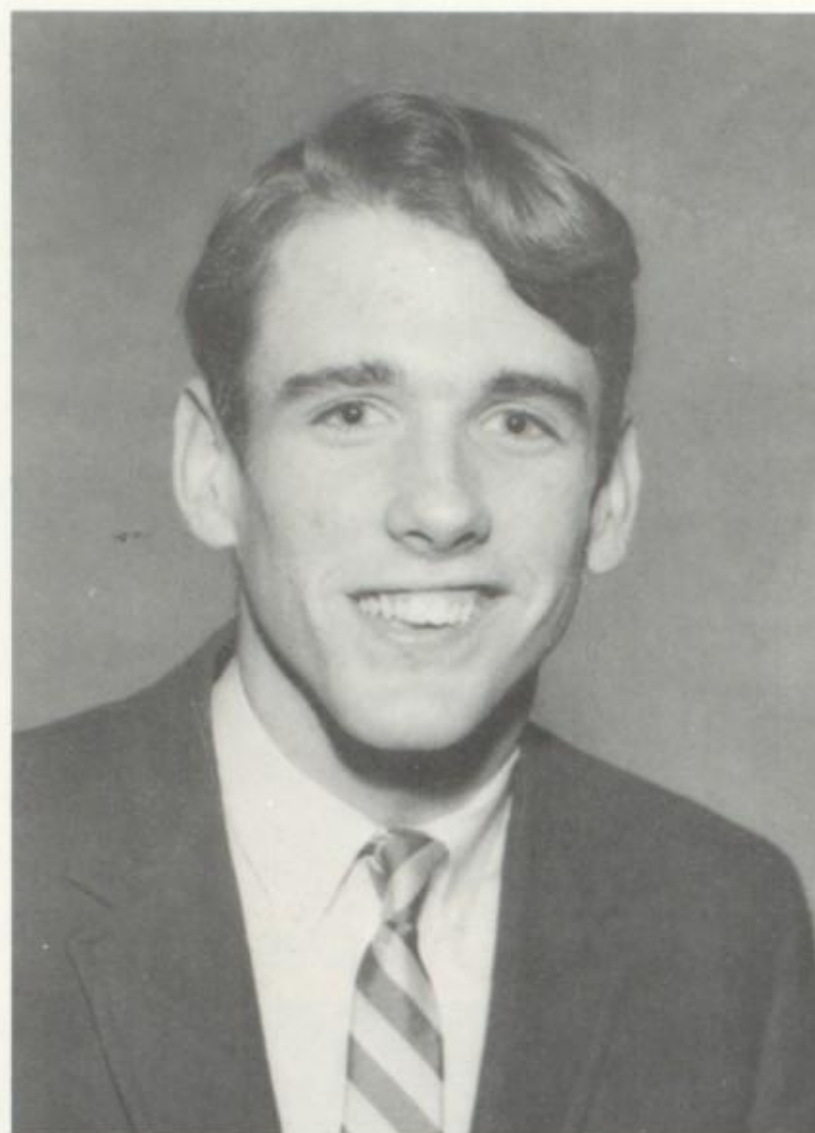

The rather unsuccessful season experienced by our class basketball team in no way dampened our spirit.

Another freshman first was the selecting of our own Cheerleaders, under captain Chris Anne Dello Russo.

This year, we have also revived the practiced of caring for the trophies which are on display in the cases.

We have been able to initiate new programs and carry on old traditions under the guidance of our class officers. John Logan served as our President; Pete Horton was Vice President; Kathie DeFilippis kept our records as Secretary; and our finances were handled by Bob D'Agostino.

As the year draws to the close, we will dedicate ourselves to carry out future activities with the same spirit, enthusiasm and "thunderation" which has marked our stay thus far at Bernards High.

VARSIY FOOTBALL

The 1966 Bernards High Varsity Football team completed an excellent season with an impressive 6—3 record. Under the direction of Head Coach Ferry and Assistant Coaches Buckley and Bunton, plus the fine leadership of Co-Captains Jim McCue and Carmine Petriccione, the team reached its goal of becoming the Mountain Valley Conference Champions.

In the opening game, the Bernards High Team emerged as the victor over a fired up Bound Brook team, 14-7. In the next game the team played well but lost to an excellent Pompton Lakes team, 19-12. The next two games proved rewarding with a 27-25 victory over Chatham Township and a 19-12 win over Netcong. The team hit a slump in the middle

of the season, losing in an upset to Manville 20-7 and being crushed by an under-rated Randolph Township team, 40-13. At a moment when the conference championship seemed to be out of reach the team rebounded with a 28-6 victory over Dunellen. The two most important games of the season followed and the team proved that it was equal to the occasion. First, it upset a heavily favored Middlesex team 13-6 to clinch at least a tie for the championship. Secondly, at Olcott Field on Thanksgiving Day the team played what proved to be its best game of the season while crushing Ridge High 34-6.

Nine members of this year's squad received honors for their outstanding play. Although hampered by injuries, Bruce Thomson made the Group I All State first team and the all conference first team. Joe Chipparullo, considered to be the team's outstanding performer, was chosen on the all area, county and conference first teams. Jim McCue was chosen on the all county and conference first teams. Kip Cleland was placed on the all conference first team. Dave Hill, Carmine Petriccione, Steve Rickard, Jim Salegna and Tony Vittorio also received one or more honors.

Graduation will take its toll among the star players of this year; however, many juniors and sophomores gained valuable experience on the varsity level and should be able to fill the vacated spots. If they do, those affiliated with B.H.S. should enjoy another excellent football season next fall.

Under the capable direction of Coaches Buckley and Bunton the Junior Varsity team posted an admirable 6-1-1 record for the 1966 season. Losing to Bound Brook in their first game, the J.V.'s bounced back with four consecutive victories over Chatham Township, Netcong, Manville, and Randolph Township, before tying with a determined Dunellen team. They concluded the season with a victory over Middlesex and a tremendous 52-7 victory over Ridge—a fitting conclusion to a rewarding season.

Many members from this J.V. team will move up to the varsity next year and perhaps provide Bernards High with another Mountain Valley Championship.

Bernards High's 1966 Freshman Football team completed the season with an excellent 6-1-1 record. This record included victories over Middlesex, Chatham Township, Morristown School, Randolph Township, Dunellen and Ridge. A tie with Bound Brook and a one point loss to Manville rounded out the schedule. Both of the latter were such that the outcome was questionable until the very end.

Under the guidance of Mr. Keller and his assistant coach, Mr. Mangiafico, the boys learned the fundamentals and techniques essential to high school football. The performance of the team further upgrades the prestige of Bernards High football.

VARSITY CROSS COUNTRY

At the conclusion of the 1966 season the Cross Country team was once again the New Jersey Group I State Championship. Under the direction of Coach Edward Mather, the team compiled an impressive

9—1 record in dual meets. Their only loss was by one point at the hands of Morristown School when only three of the top seven B.H.S. runners competed. In the Hudson County Catholic Youth Organization Meet the team finished second.

Competing in the Bernards Invitational Meet, the Bernards High runners finished third before the home-town crowd. Those at Bridgewater-Raritan witnessed the team as they again maintained their superiority by winning the Somerset County Meet and retaining the championship. After placing first in the Central Jersey Qualifying Meet, the team journeyed to New Brunswick for the State Championship Meet. Emerging from the race with five of the top thirteen finishers, B.H.S. repeated as the Group I State Champs by an astounding total of ninety-four points over the second place team.

The B.H.S. runners, led by captain John Monsees, were one of, if not the strongest, public school teams in the entire state. Outstanding seniors were John Monsees, Mark Vornhagen, Karl Kinscherf, John Parr, Harry Gianetti, and Joe St. Onge. Junior Paul Vornhagen was consistently in the top seven runners and should lead the team next year. Obviously, the team will be hurt next year by the loss of the 1967 graduates, and yet, next year should still prove to be a rewarding season for the harriers of B.H.S.

JUNIOR VARSITY CROSS COUNTRY

The Cross Country "B" team completed a second undefeated season by running its winning streak to nineteen wins without a loss. This team, composed of juniors, sophomores, and freshmen, usually shut opposing runners out of the top seven places. The highlights of the season were in the Bernards Invitational Meet, when the two teams entered took first and second places in the Junior Varsity race and in the Somerset County Meet in which the team took first place.

With the impressive record established by this team the prospects for Cross Country next year look very promising. In fact, many opposing coaches have remarked that they are astonished by the strength shown by this team and that they dread next year's meet.

FRESHMAN CROSS COUNTRY

FRESHMAN CROSS COUNTRY

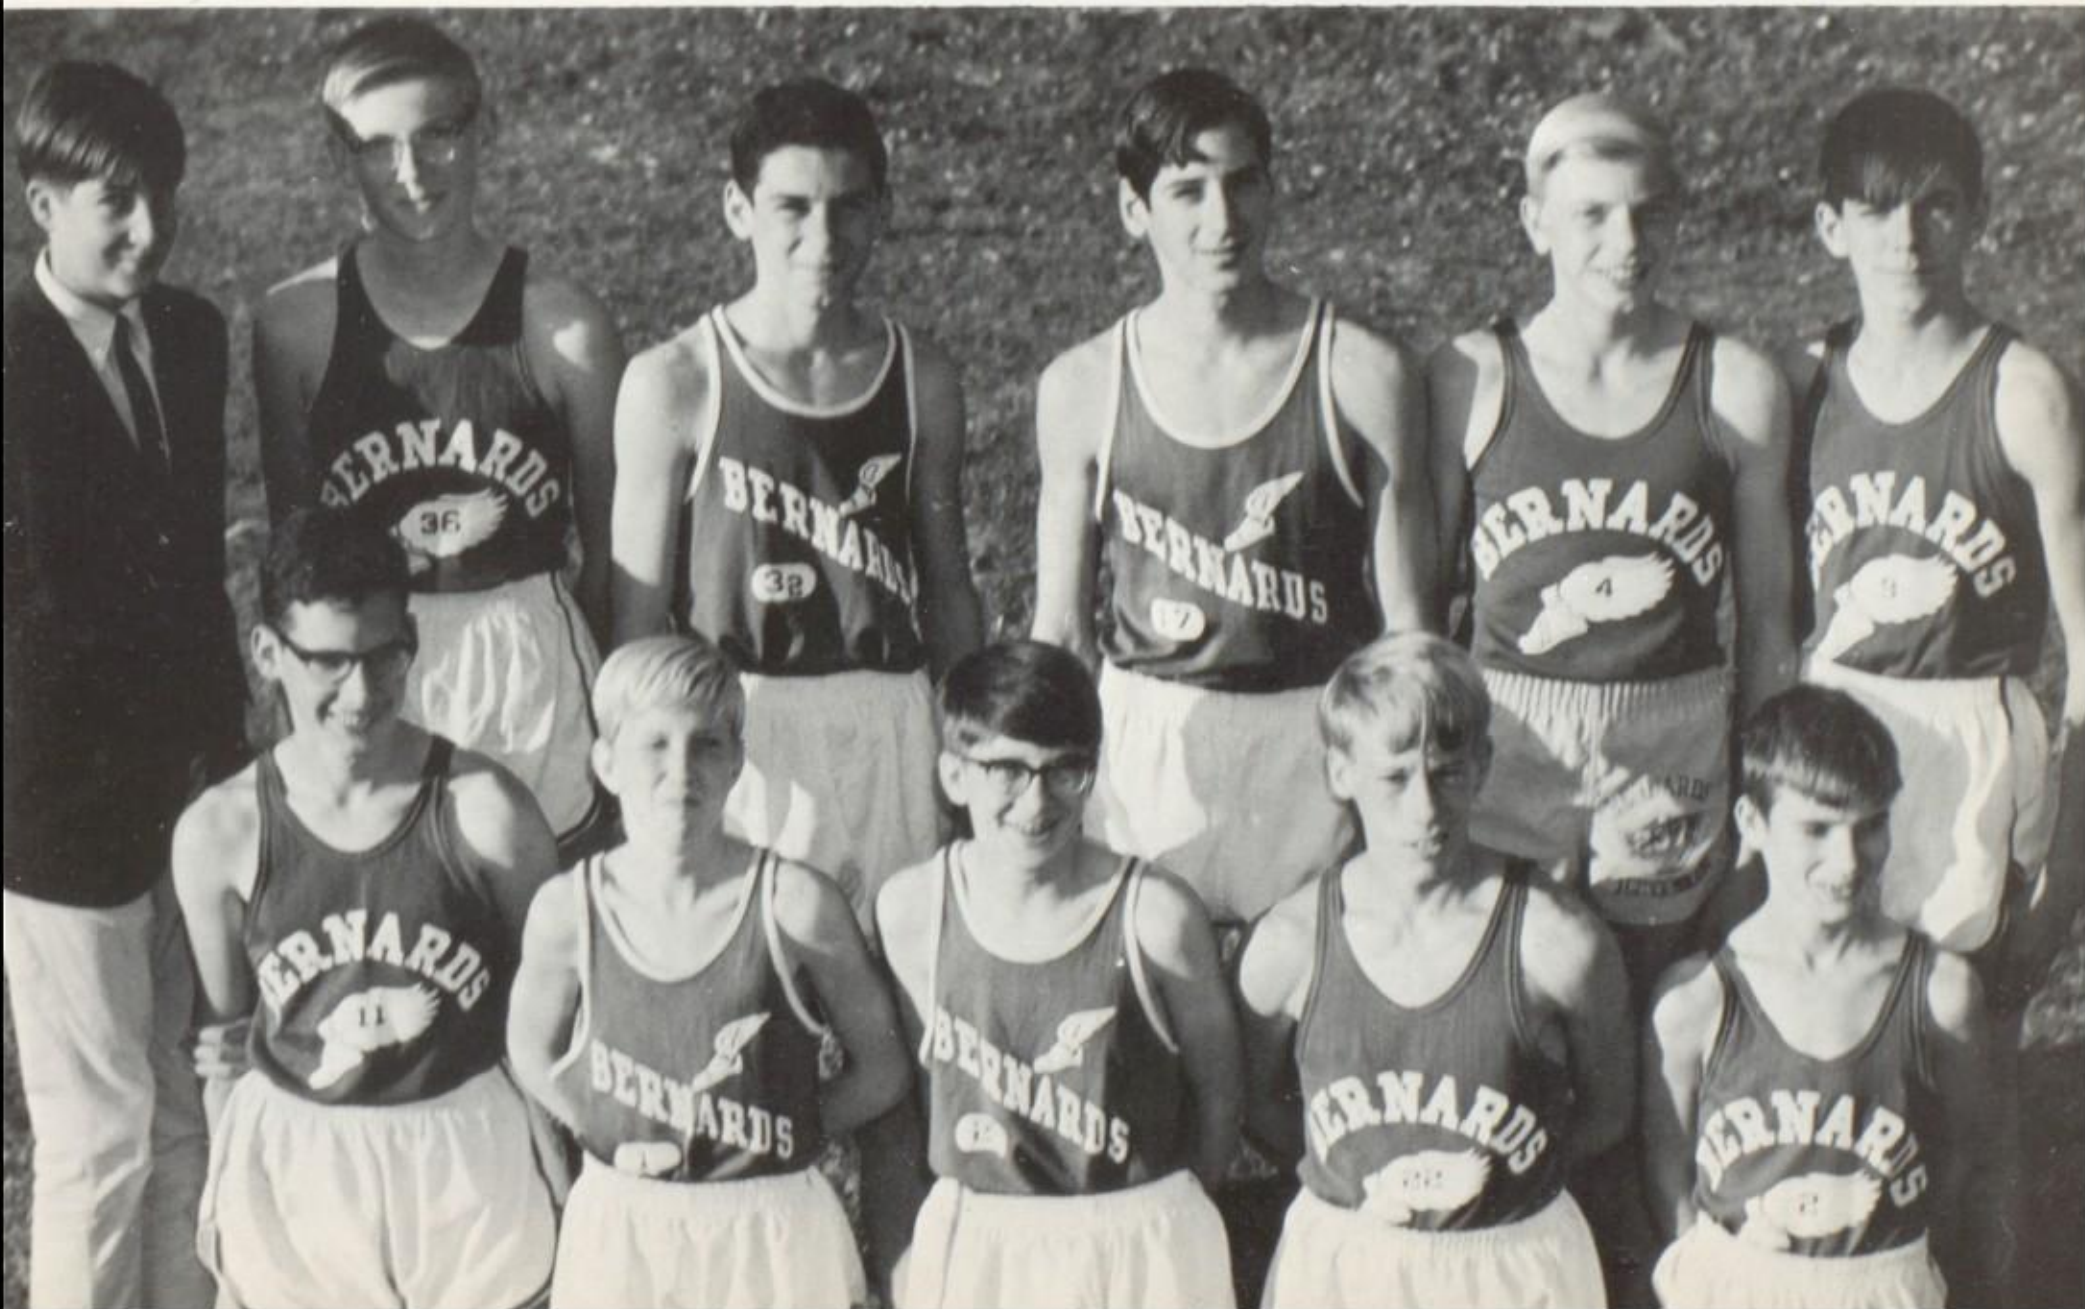

During the regular season the freshman members on the Cross Country team usually ran as members of the "B" team; however, at the Bernards Invitational Meet they competed as a separate team. The result was a first place finish by the Bernards Frosh. Albert Johnston led the way with a first place finish in the individual competition. Next year Mr. Mather expects these boys to improve much and help the upper class boys in another successful season.

The 1967 Varsity Basketball team posted a 5-14 record. At first glance the record does not seem to be very outstanding; however it is the best record posted by a Bernards High basketball team in nine years. Congratulations should go to Coach Samuels for the improvement during his first year as coach.

During the year the team posted victories over the Alumni, Middlesex, Manville, Roxbury, and Randolph Township. Many other games were lost by very few points. The team was never able to put together a long string of victories because of these losses. However, credit should go to the players, especially co-captains Harry Gianetti and Joe Chipparullo, for continuing to give their all.

Outstanding senior players who will be missed next year were Tom Carton, Joe Chipparullo, Harry Gianetti, Todd Hannon, David Hill and Joe St. Onge. Other varsity players were Ted Palmer and Bob Ward. As one can see experience at the varsity level will be at a minimum, yet, Coach Samuels looks to next year with great optimism.

The 1967 Junior Varsity Basketball team completed the season with a 3-15 record, however; the record is not indicative of the true caliber of play. All of the J.V.'s were either juniors or sophomores. Under the guidance of Coach Mangiafico the boys improved their all around game. Thus, they should be well on their way to becoming good varsity basketball players next year.

Varsity Wrestling

The 1967 Bernards High varsity wrestling team had a very creditable 8-2 record this year. More important was its excellent showing in the Bridgewater-Raritan Christmas Tournament and district, regional, and state competition. Also included was the first Mountain-Valley Championship in wrestling for Bernards High.

The team began the season with a first place in the team competition at the Bridgewater Raritan Christmas Tournament. Carmine Petriccione and Jim Mc Cue were individual champs. The dual meet season included wins over Manville, Belvidere, Dunellen, Middlesex, Randolph Township, Bound Brook, Netcong, and Ridge. The Bound Brook match was especially exciting with the winning point coming on a pin by Jim Mc Cue in the final match. Two disappointing losses were suffered at the hands of the Madison and Roselle Park teams.

At the end of the season the district championships were held. Bernards High had four champs in Roy Van Arsdale, John Ferris, Carmine Petriccione, and Jim Mc Cue. The team finished second on the basis of overall points. Jim Mc Cue became the regional champion the next week. Finally, Jim Mc Cue became Bernards High's first **wrestling State Champion** in the heavy-weight division.

Next year the team will suffer what was termed by Coach Keller an indeterminable loss. Five seniors, Kip Cleland, John Ferris, Carmine Petriccione, Hal Lockhart, and Jim Mc Cue, all of whom have compiled sensational varsity records, will have graduated. However, they leave behind a nucleus for a fine team and hopefully next year's team should again reach the heights attained in previous years of B. H. S. wrestling.

JUNIOR VARSITY WRESTLING

The Junior Varsity Wrestling team completed the past season with a 3-6 record. The record is overshadowed by the fact that most of these boys were freshmen who were wrestling for the first time. They gained valuable experience and can be looked for to provide many exciting moments in future years. Under the guidance of Coach Melitski, the wrestlers learned much in their first or second years of competition.

VARSITY BASEBALL

This year the varsity baseball team will be seeking its second consecutive Mountain Valley Conference championship. Coach Gerrity will field a squad that will feature an experienced ball-player at each position. This factor alone provides the basis for a good season. The team will feature good pitching, hitting and fielding as in past years. Obviously, once again, Bernards High should field an excellent baseball team, as is its tradition.

JUNIOR VARSITY BASEBALL

Once again, under the tutelage of Coach Dunne, the junior varsity baseball team will look forward to a winning season. The team will be composed of freshmen and sophomores seeking the experience necessary for the move to varsity competition.

The 1966-67 school year has come to a close; but we, the Class of '67, hope that our yearbook has given the faculty and student body something of value to remember us by. Editing the 1967 BERNARDIAN has been a very rewarding experience for us. For many months the BERNARDIAN staff has worked together, and as a result of their countless hours of effort, we hope that our yearbook is a truly memorable one.

Secondly, we wish to thank Miss Hosmer for her assistance in keeping us within our budget. Her guidance has been most welcomed by all of us. A special thanks should also go to Mr. Clay and Carmine for the wonderful work they have done with the BERNARDIAN photography. We sincerely appreciate the time and patience they gave us.

Lastly, the entire Senior class would like to express their deepest gratitude to Miss Carpenter for her diligent work throughout the year. Without her assistance our yearbook would not have been possible.

STUDENT COUNCIL

Marty Anderson, president of the Student Council, presided over the many activities of the Council this year. The Student Council Tea, Student Council Dance and Freshman Orientation program were Council-sponsored activities which took place in the first month of school. Later on in the fall, Council presented several assemblies and continued the Leadership Seminar, which was especially successful this year. Several of the members went to the annual Student Council Conference at Rutgers on November 16. The tradition of Homecoming was continued with a large float sponsored by all of the classes as well as Meryl Streep as queen. Just before Christmas vacation, the Alumni Tea was held by the Council for Alumni returning from college. The Early Bird Dance followed the next morning. The Student Council car was during spring vacation also proved successful and provided needed funds for Council activities.

BAND

The band stepped out on the field this year under the direction of Mr. Lon Cass and showed off slightly new techniques of marching. At band camp, along with the long marching hours, strange sounds could be heard as musicians tried to learn new instruments to round out the sound of a marching band. As the week wore on, weird sounds became music, left feet found their right, and the band stepped out on the Bound Brook football field with a terrific performance. New steps to "Swinging Safari" and "Joshua" became familiar to the crowd. To top the season off, the band was invited to the Cherry Blossom Festival in Washington, D. C., April 9, being the only band to represent New Jersey.

TWIRLERS

Dancing to "Joshua," and performing at the Cherry Blossom Festival and at the Invitational Cross Country meet were just a few of the activities of the 1966-67 twirling squad. Led by co-captains Donna and Debbie Mikulak, the squad learned many new routines as well as a few unusual skills; for example, how to paint bermuda shorts with florescent paint, and then how to sit down in bermuda shorts which have been painted with florescent paint and have them become as stiff as a board. Overcoming these great difficulties, the twirlers still had time to contribute much toward the success of the band.

COLOR GUARD

COLOR GUARD

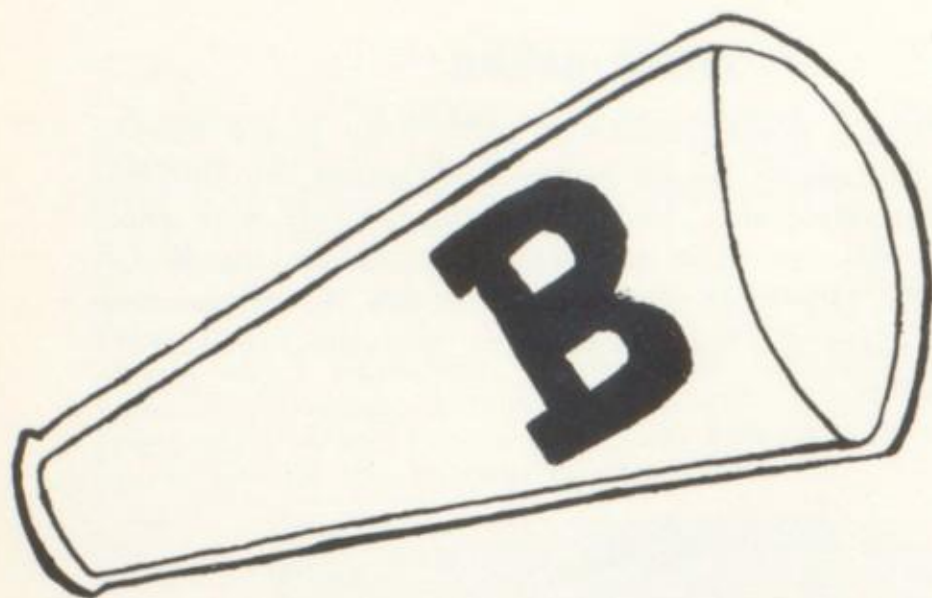

"We create a great sensation!" The color guard led the Bernards High band out on to the field during the '66 football season and at the Cherry Blossom Festival with their precision drills and rifle routines. Captain Debbie Welsh worked with the band director, Mr. Cass, to create new drills and adapt old ones to the new marching techniques of the band.

VARSITY CHEERLEADERS

Thunder, thunder, thunderation

Throughout the fall and winter sports seasons the Bernards High "delegation" was led in cheers by the red and white garbed cheerleaders. The "thundering" cheers were in support of the football, basketball, and wrestling teams and spurred them on to victory.

Led by captain Sue Castrilli, the "cheeries" were on hand at all the pep rallies to lead the cheers of the student body. Also at the night pep rally before the Ridge football game, they "created a great sensation" by arriving *en masse* in the back of a truck at the moment the bonfire was lit.

The fact that the athletic teams have had a good year must be attributed in part to the crimson and white attired "cheeries."

PEP CLUB

Most of the 1966-67 school year was required by the newly formed Pep Club to organize and set up initiative programs for the following years. With John Ferris as president and Miss Viragh and Mrs. Bower as advisers, the members mapped out entrance requirements which included no failing grades and a willingness to work hard and with much pep for Bernards High.

VARSIITY "B" CLUB

The Varsity "B" Club, consisting of boys who have earned their varsity letter in an interscholastic sport, was quite active this year. They gave two dances during the year to raise money for fall, winter, and spring sports awards. The members also helped out at the pep rallies in seating the student body.

PROJECTIONISTS

The operation and care of the projectors, cameras, and other audio-visual equipment were the services performed by the members of the Projectionists Club, under the supervision of Mr. Kyser. The members of the club were often called upon to operate the projectors during classes and assemblies throughout the year.

CONCERT CHOIR

Vivaldi's "Gloria" was performed by the Concert Choir at its winter choral concert this year. Meryl Streep and Debbie Talbot were the soloists. On December 17 the choir again performed selections from the "Gloria" at the Short Hills Mall, despite the freezing weather. The spring concert was also a success featuring the Geographical Fugue which is a modern composition, chanted in rhythm.

SCHOOL PLAY

SOLID GOLD CADILLAC

Under the direction of Mr. Montgomery, students of Bernards High presented, "The Solid Gold Cadillac," a fractured fairy tale of an aging actress who accidentally got involved in the complex workings of a large corporation in which she owned a share. The play starred Kate DelDeo as Laura Partridge, and Mike McGrath as Edward L. McKeever, who gave a moving soliloquy about Sparta—one of the highlights of the performance. Hard work on the parts of both the director and the cast resulted in a fine performance.

Bernards High is no backward school which allows its guests to stumble blindly down the aisles of the auditorium at school performances! It provides an attractive corps of ushers to welcome the guests and guide them to their seats. This group of girls, under the leadership of Mary Fantina and Barbara Goralczyk, added that extra touch of civilization at every performance.

RECEPTIONISTS

When the senior door was closed for the first time in the history of Bernards High, the receptionists found themselves out of a job, as their former station was torn apart to make way for the new entrance to the office. During the first half of the year, however, during their study halls, they greeted and gave directions to visitors entering the school.

LIBRARY CORPS

L to R: L. Lucas, J. Fortenbough, E. Reardon, K. Pitts, C. Libby, D. Witlox, L. Fortenbough.

This year, the Library Corps had to cope with the greatly increased circulation of the school library under the new librarian, Miss Young. Every period of the day, the members were busy checking out and processing books for students. They also helped in the monumental task of moving the library to the new addition — without any major difficulties.

ANNOUNCERS

To the accompaniment of the xylophone — bell system, the announcers read the morning notices, informing students and faculty of daily events. Sometimes sharing the spotlight with Lynda Young, recording secretary of the Student Council, who read the Council minutes every week, the announcers always managed to sound cheerful, even at 8:15 on Monday mornings!

NATIONAL HONOR SOCIETY

Students possessing the qualities of outstanding, scholastic achievement, character, service, and leadership were eligible for membership in the Nathan Honor Society.

This year the members sponsored "Just a Dime at Christmas Time" for a needy family in the area. Two awards were also given at graduation by the Society to two seniors who best exemplified the traits of leadership and service.

AMERICAN FIELD SERVICE

Once every month, the American Field Service Committee, advised by Mrs. Nowatzki and co-chairmen Joanne Edmonds and Debbie Mikulak, met. The members of the club planned and carried out several programs to raise money for the support of next year's A.F.S. student. Some of the 1966-1967 programs were the A.F.S. Change Drive, the Bookmobile, and the annual A.F.S. dance. On February 2-4, B.H.S. was the host school for 18 foreign students from the surrounding area on the A.F.S. sponsored weekend.

THE PINNACLE

"TWO OF A KIND" by Betsey Houtz '67

Let Me Be

Sing to me no mournful songs
No songs of strife and worldly wrongs.
Not today with sun so bright,
Not today with all so right,
I'm on my way - let me be,
I'm like the wind and the restless sea.
I'll settle down sometime, some day,
Let me be - I'm on my way.

EMPATHY

The roar of the Big Wind
Is so deafening that you
Can hear a pin drop.

Stephen Houck '64

Patience

The beach is wide
And motionless
Except for seagulls diving
With shrill cries.
Black wet rocks are strewn
Beaten by wind
And weather.
Pebbles are washed up
And pulled back,
Seaweed swirls
In eddies of salt water
And sinks.
The beach is lonely
Waiting.
It has waited,
It will wait,
Timeless
Ageless,
It will wait.

*CLUBS

A wide variety of clubs and activities was offered this year as a part of the co-curricular program, which took place during activities period every day.

Mondays, the various clubs met, while Tuesdays were reserved for Student Council, Crimson editors and the intramural sports programs. Fridays Varsity "B" and National Honor Society met.

The selection of clubs was expanded this year to include the English, Pep, and Coin and Stamp Collecting Clubs. These new additions rounded out the activities program and, along with the other clubs, helped the regular curriculum become more meaningful for the students.

ART SERVICES

In Art Services students were given new experiences in art. The members used their creativity and individual expression by making posters and signs for other school organizations and by experimenting in new media and techniques.

BOYS' GLEE CLUB

At the spring and winter choral concerts, the Boys' Glee Club joined with the Girls' Chorus and Concert Choir to provide an entertaining evening for the Bernards High student body and their families. Rehearsing during activity periods, the boys built up a substantial repertoire, gaining valuable musical experience at the same time.

BOYS' GOURMET CLUB

Is Paris Burning? No, it's just a meeting of the Boys' Gourmet Club in 101. Under the direction of Mrs. McCrann, the members gained experience in the kitchen preparing simple foods and then consuming the resultant culinary masterpieces. The scope of their endeavors was necessarily somewhat limited because most of their previous experience in culinary art had been in the devouring, rather than in the preparing!

COIN AND STAMP COLLECTING CLUB

Discussing the histories and values of coins and stamps was one of the activities of the newly formed coin and stamp collecting club this year. Along with their discussions, several of the members also shared their collections with the group through displays. Showing admirable foresight, only one student was allowed to bring his collection at a time to avoid the confusion of getting one person's San Francisco Earthquake Centennial commemorations mixed up with another's "Save the Whooping Crane" stamps.

CHESS CLUB

The objective of the Chess Club was merely to "relax and have an enjoyable time playing chess." To this end, they met on alternate Mondays during activity periods.

Their advisor, Mr. Montgomery, challenged many of the members along with giving advice for improving their games.

DANCE BAND

Playing for various school activities and at the spring band concert was the function of the dance band. The members also gave their own assembly at the beginning of February. A large part of the pit orchestra for the musical "Oklahoma!" was formed by members of this band under the direction of Mr. Cass.

PHOTOGRAPHY CLUB

Mrs. Norman, with the help of president Dean Baim, conducted the Photography Club this year. The club planned an instructive course on the art of photography. A series of instructional films were periodically shown to the members. After having seen the films, they applied the techniques they had learned to their own photography.

The purpose of the club was to help the members attain higher artistic and technical quality in their photography.

FUTURE TEACHERS OF AMERICA

Future Teachers of America was an extremely active club this year, sponsoring a refreshment stand at the Invitational Cross Country meet, and having either a speaker or a movie at almost every meeting. President Cathy Pellek led discussions on the problems of teaching at different levels. The members of the club also had an opportunity to observe classes at the Marion T. Bedwell School.

FRENCH CLUB

Members of the French Club once waddled out of Room 222 after a taxing quest for understanding of French customs. This mentally exhausting ordeal was the French Club Christmas party. Consuming eclairs, Napoleons and other "goodies" and throwing in a few French carols for atmosphere, the members agreed that their quest was a complete and caloric success. And this was just one of the many interesting activities of this club!

SPANISH CLUB

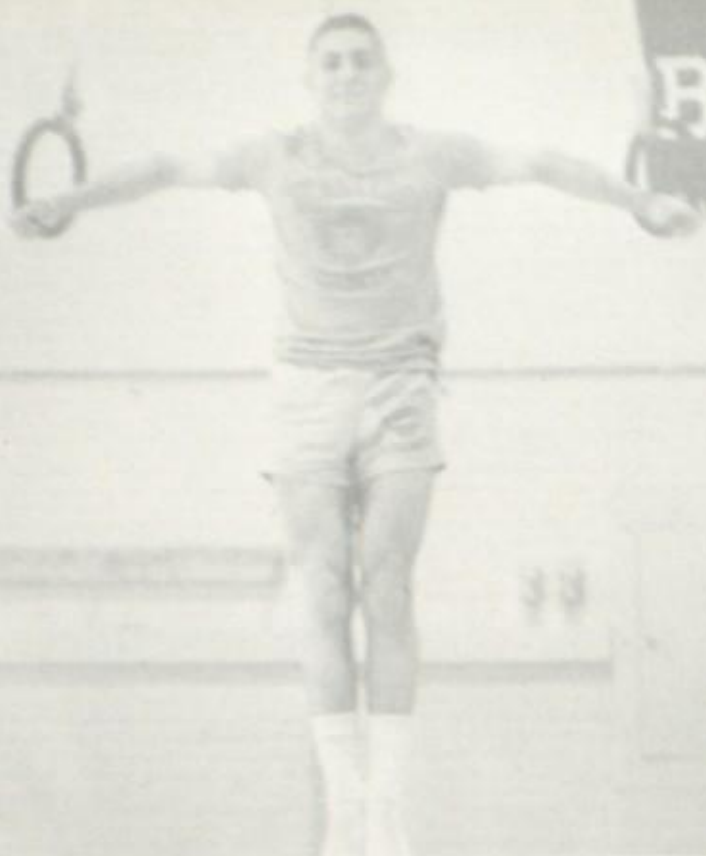

Chile cooking, its aroma permeating the air around Room 107 was just one of the signs that a meeting of the Spanish Club was in progress this year. President Donna Mikulak and Mrs. Kielty led the club members as they explored Spanish Culture. The group also sang Spanish songs and made use of many slides and movies during the course of the year.

ENGLISH CLUB

Members of the English Club began their year with a unit on creative writing. As the year progressed, with the help of their advisor, Mr. Smith, they planned a trip to see the musical "Man of La Mancha," a musical stage adaptation of the book Don Quixote. Although this club was organized only this year, through excellent organization and planning, it became a worthwhile addition to the co-curricular program.

GYMNASTICS CLUB

This year, the Gymnastics Club was divided into two sections, one for beginners to learn the basic skills of tumbling and practicing on the apparatus. Another was for the more intrepid souls who, having mastered the fundamental skills, were able to go on to the more advanced levels of head springs on the Swedish box, double arm cut-offs on the rings and back-circles in the horizontal bar.

FUTURE BUSINESS CLUB

Led by Mrs. Bower and Miss Pacioretti, the Future Business Club had a series of speakers and discussions on the world of business. Gaining insight into the duties and problems of secretarial work and having an enjoyable time while doing it were two goals which were successfully accomplished during the course of the year.

FUTURE NURSES CLUB

Under the advisorship of Mrs. McCue, the members of the Future Nurses of America Club explored the opportunities and problems of a career in nursing. Through speakers and discussions, the girls had a realistic view of the nursing profession.

DRAMA CLUB

Resourcefulness and originality were two adjectives which applied to the Drama Club and its fearless advisor, Mr. Mather, this year. The club spent the majority of the winter semester preparing for their assembly. This assembly was made up of a group of skits which were written, and enacted by members of the club. Along with this major activity, members of the club also had discussions and gave readings during the year.

SEE THE WORLD

Mr. Jaye, a well-traveled member of the faculty, led the "See the World" Club in its discussions of foreign lands. Besides having lectures by Mr. Jaye and guest speakers, the students were encouraged to bring in their own slides and to tell of their experiences in other countries. One of these students, for example, was Laurie Plumstead, who gave a series of slides which were taken while she lived in the Netherlands.
